

Welcome!

BOOM stands for Believing On Our Master and is the name of our youth group. The BOOM logo was inspired by Isaiah 1:18, "Come now, let us reason together," says the LORD. "Though your sins are like scarlet, they shall be as white as snow; though they are red as crimson, they shall be like wool." The downward red (in some print versions the red is gray) triangle represents our sins and where they can take us ... down. The top triangle points up and represents those who choose to follow Christ. The top triangle is not completely white because we are not without sin. The cross is pure white because Christ died for our sins and made us "white as snow." BOOM is red and on the cross because as followers of Jesus we put our sins on the cross.

We believe that: ☩the Bible is the living, accurate, and inspired Word of God. ☩Jesus lived a sinless life, was judged guilty for our sins past, present, and future, and that He died on the cross accepting the judgement of God for those sins. ☩Just as Paul wrote in Romans 10:9-13: "For if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved. For it is by believing in your heart that you are made right with God, and it is by confessing with your mouth that you are saved. As the Scriptures tell us, "Anyone who believes in him will not be disappointed." Jew and Gentile are the same in this respect. They all have the same Lord, who generously gives his riches to all who ask for them. For "Anyone who calls on the name of the Lord will be saved."

Because of Him ~ Terry

"Surely you know. Surely you have heard. The Lord is the God who lives forever, who created all the world. He does not become tired or need to rest. No one can understand how great his wisdom is. He gives strength to those who are tired and more power to those who are weak. Even children become tired and need to rest, and young people trip and fall. But the people who trust the Lord will become strong again. They will rise up as an eagle in the sky; they will run and not need to rest; they will walk and not become tired.

Isaiah 40:28-31

We strive to reach youth and families for Jesus in a fresh, relevant, relational way because we may be the only Bible they have ever seen or heard.

We do this by sharing in our church's mission of

- ✝ Inviting Seekers To Become Believers
- ✝ Equipping Believers To Become Disciples
- ✝ Inspiring Disciples To Become Servants.

We Invite, Equip, and Inspire by:

Proclaiming Christ in the World

Believing Christ is the one true way to God, we go into the world to proclaim the Good News of Jesus Christ to all seekers, attracting them to a life of discipleship through what we say and do.

Living Life United In Christ

Believing Christ to be uniquely present with His people, we seek to be an inviting, loving community of Christ's disciples, who are led and gifted by the Holy Spirit, and who care for one another, support one another, encourage one another, admonish one another, and forgive one another.

Celebrating God's Love

Believing God to be the Creator of all, we glorify and enjoy God by gathering together to celebrate God's love through joyful thanks and grateful praise.

Living And Growing In Word And Spirit

Believing God speaks to us clearly and definitely through God's Word, the Bible, and that God's life is poured into us through the Holy Spirit, we commit ourselves to growing in the grace and knowledge of Jesus Christ, and seek to live in ways that demonstrate the power of God's Spirit to transform lives.

Serving Faithfully In Christ's Name

Believing Christ continues His ministry of love, reconciliation, redemption, and hope through His people, we offer our lives, just as Christ offered His, in service to others and to the world.

Submitting Our Resources To The Reign Of God

Believing Jesus Christ is the Lord of all life, and that a time will come when the whole world will exalt and confess His holy name, we earnestly submit our wills, our hearts, our minds, our work, our time, our possession, our money, and all our resources to Him in order to invite as many people as possible to enter into the kingdom of God.

ARE YOU A JESUS FREAK?

BOOM is dedicated to serving our Lord, Jesus Christ by being Jesus Freaks.

Kevin Max of dcTalk describes it like this:

The words "Jesus Freaks" were first coined in the late sixties, when hippies became part of a new revival, the Jesus Movement. It was then when music, poetry, and an open expression for Jesus Christ turned a new generation on to God. It merged rock and roll with the Gospel message, a wave we're still riding today known as contemporary Christian Music. It infused the Church with the arts. It shook up conventional worship. And, due to its "in your face" approach, it had a backlash. The rest of the world called these over-zealous young people "Jesus Freaks" as a derogatory term. But decades later a new generation is embracing that same passion for expression.

Being a Jesus Freak is having a passionate heart for Jesus, a willingness to extend that passion into all areas of life, be it poetry, music, art, or the hard choices made at life's crossroads. The lineage of Jesus Freaks actually extends much further back into history than the sixties. Many devoted followers through the centuries gave a new definition to the word "commitment" when they put their homes, their families and even the lives on the line. Their love for Jesus was bigger than life itself. When I read their stories, I can't help but think of my own choices, my own commitments, and how much I owe to those courageous individuals.

Jesus Freaks are more than hippie kids and rock and roll. They are dedicated followers of Jesus Christ who place His name above any other need or desire. And as a Jesus Freak, I stand with thousands of martyrs around the world today who still face persecution because Jesus means more to them than their own lives or comfort.
